## **VBS SERVICE PROJECT**

### **Hygiene Products for Circle of Concern**

Circle of Concern is a food pantry located in Valley Park that serves approximately 2,000 individuals in west St. Louis County each month. Circle's mission is to feed the hungry and provide assistance to low-income families living in our community.

Many of those in need don't have access to basic items such as shampoo, soap and toothpaste, which can be expensive – and food stamp benefits cannot be used to purchase them. That's where we come in!

Our VBS service project is to collect hygiene products for clients at Circle of Concern. We will have bags at the Check in/Out table. Please take a bag and together with your child(ren), fill it with 3-5 of the items listed below. Return the bag to one of our collection bins.
