

## PARENT TESTIMONIALS

*“Trinity Preschool has been the best preschool experience for my three children. Trinity has fostered a love for learning, curiosity, and faith in God that my children will have for the rest of their lives. Everyone at Trinity has been so wonderful and I am forever grateful that my children have had the opportunity to be part of such an amazing place.” - Gabriel’s Mom*

*“We came to Trinity Preschool because of their reputation in the community and Junior Kindergarten program - which is exceptional. From the first moment we walked in, Trinity felt like home. The atmosphere and curriculum was exactly what we imagined as our ideal preschool. Over the years, we have stayed at Trinity because of the amazing culture these educators have so tirelessly and lovingly cultivated. They are instilling faith, not only through their teaching, but much more importantly, through their actions. They walk like Christ, with love and compassion, seeing the best in each child. We feel so blessed to be a part of the Trinity family and will be forever grateful for the foundation they have given our boys.” - Kale’s Mom*

*“The teachers are all so positive when they greet the kids in the morning! It creates a positive atmosphere to start the day! It’s really comforting to know that our children are being taught about Jesus at such a young age!” - William’s Mom*

## WELCOME TO TRINITY PRESCHOOL!

Trinity Lutheran Preschool is an outreach ministry of Trinity Lutheran Church. The purpose of the preschool is to make Christ known to preschoolers and to provide a developmentally appropriate educational experience that recognizes the spiritual, mental, emotional, social and physical needs of each child. Our program includes a Christian curriculum as well as a play based approach to learning. We believe that preschool children learn best through exploration, play, and hands-on experiences.

Presently we have classes for children ages 1-1/2 months through five years old.

## OUR PHILOSOPHY

The training children receive in the early years of their lives is some of the most significant they will ever receive. At Trinity Lutheran Preschool, we provide:

1. A Christ-centered curriculum where children will experience and hear daily of Jesus' love for them. A new Bible story is introduced each week (Fall/Old Testament & Spring/New Testament)
2. A safe, secure, and clean environment in which to explore.
3. A caring and nurturing atmosphere which fosters each child's creativity and positive self-image in order to develop an interest and joy in learning as well as a feeling of security and independence.
4. A balance of activities which include outdoor and indoor play, teacher-directed and child-initiated learning experiences within the context of a developmentally appropriate curriculum.

## HANDWRITING WITHOUT TEARS

Trinity Preschool incorporates the Handwriting Without Tears program into our curriculum. It is a very hands-on program with lots of music and movement activities to allow the children to have fun while learning.

## STREAM

Trinity Preschool emphasizes STREAM (Science, Technology, Religion, Engineering, Art and Math) encouraging children to think logically, problem solve, and apply skills needed to compete in the 21<sup>st</sup> Century.

## CERTIFIED TEACHERS

Each classroom is taught by both a lead teacher and an assistant teacher. All of our lead teachers from our 3's class and above are certified teachers.
